

7 TAYLOR-MADE SOLUTIONS FOR CREATING YOUR CHAMPION MINDSET™

- 1. The Power of Success** – Winning is achieving your goals and no one else's. It is not what you win, but how you go about your winning – your Champion attitude!
- 2. The Power of Focus** – Focus on what you want and you will create it – Focus on what you don't want and you will create it – we always get what we focus on!
- 3. The Power of Passion** – The single most important ingredient to success is passion, the desire to follow your dreams no matter what!
- 4. The Power of Goals & Outcomes** – The small steps taken each day are the short-term goals that help you know and feel what winning is. Enjoy the journey!
- 5. The Power of Choice & Action** – Say "stuff it" and "flush it" to any doubts. Just keep telling yourself, "I'm doing the best I can do" and then the doubts will go away.
- 6. The Power of Persistence** – There are no disappointments in life, just new learning experiences. If it is a mistake and you learn something, then it's been a learning experience, and it's no longer a mistake.
- 7. The Power of Now** – Now is all you have, to live your life to the full, moment by moment, being yourself 100%. You are "present" in the now when you experience yourself being 100% in everything you create and achieve.

*...and remember:
if you don't quit, you will make it!*
